Comment Details

Commenter Type: Members of the Public
Stance: Customer objects to the Planning Application
Comment Reasons:
- Access
- Effect on adjoining properties
- General dislike or support for proposal

Comment:The loss of yet another famous live music venue would be devastating to night time economy of the city. The addition of accommodation above the premises would also inevitably cause potential ill feeling/further issues with regards to noise in the ground floor pub area. Grand father rights should be addressed here to protect the pub in the long term,such a development could add undue pressure to the venue in an already critical time for licensed premises across the country
