Stance: Customer objects to the Planning Application
Comment Reasons:
- Effect on character of area
- Effect on existing community facilities
- General dislike or support for proposal

Comment:Losing such a well known space which provides many groups of people of all backgrounds a space to gather and socialize and express is truly sad. To lose this just for a couple of apartments is a very poor chouce.
The community in oxford and surrounding towns would certainly feel the loss of this pub/venue
Too many places like this have been lost and the community is suffering as a result
Covid has taken so much from us, be sad to lose this facility which would be a great spot for many people/ social circles to re connect after the virus is under control
