Comment:I am saddened to learn of this proposal as a keen musician and Teacher the Wheatsheaf as a venue is massively important to the Oxford Music scene. It has historic interest and is one of very few remaining independent music venues.

I would suggest that a development for student accommodation should be done at another site where this is not the case, and please give this considerable consideration.

I gather others will also have strong views on this for similar reasons but if you need more info from me do get in touch
