Good Morning Bradley,

- That would be perfect thank you. Any images that show the extent of the tree's size, any overhanging property or obstructing access/light etc. would be fantastic.

- Any queries, do let me know.

- Kind regards

Good morning Lisa.

- Yes no problem, I will take some this week and send to you.
Any particular views/ angles ?

- Thanks
Bradly

- I complete administration work for Chris at Indica and he asked me to put in a planning application for work on a magnolia tree with a tree preservation order at

180 High Street in Tonbridge. I completed the paperwork before Christmas but the council have just got back to me asking for photographs of the tree as they are only doing virtual appointments at present and won't come out to look at the tree itself. Could you possibly provide some that I can forward to them?

-
I look forward to hearing from you.

-
Kind regards
