Comment Details

Commenter Type: Members of the Public
Stance: Customer objects to the Planning Application
Comment Reasons:
- Effect on character of area
- General dislike or support for proposal

Comment:Oxford is supposed to be city with a diverse and bustling nightlife. In recent years though this has been changing with venues either being converted to residencies or being closed due to complaints from newly built ones. This venue is the only one catering to rock culture in the city centre and is also one of the few places up-and-coming bands can preform and get discovered.
