It is recognised that, at this time, there are***

*concerns that individual householders may be less likely to be aware of planning applications in their neighbourhood due to their inability (particularly if they are self-isolating or shielding) to leave their property and view site notices. Furthermore case officers (including specialist consultees) may need to undertake case by case risk assessment prior to undertaking any site visit to ensure the protection of their wellbeing and others. These revised processes will be reviewed as lockdown restrictions become relaxed or removed.*

Your response will not be acknowledged but will be displayed on the website. The Local Government (Access to Information) Act 1985 allows all comments to be seen by the public, including the applicant(s). As your letter will be displayed on the website, you may wish to print rather than sign your name and not include telephone numbers, however, before publishing we will take all reasonable steps to remove personal telephone numbers, email addresses & signatures.
