ACKNOWLEDGEMENT OF
TREE PRESERVATION ORDER APPLICATION

NB. You have put both TPO'd tree and Conservation Area trees on the same application. Separate applications are required, therefore, this reference covers the Oak covered by the TPO and a separate reference (W/22/0445/TCA) will be made for the trees in the Conservation Area

We acknowledge receipt of your application for the above which was received at Warwick District Council on 7 March, 2022. Preliminary checks have been made to make sure that your application is in order. However, should there be additional information that we require, you may be contacted at a later stage.

Please note that an inspection of the trees may be carried out by a representative of the Council during the processing of the application.

Further information regarding Tree Preservation Orders and trees within Conservation Areas can be found on www.warwickdc.gov.uk.

It is envisaged that the Council's decision will be forwarded to you by 2 May, 2022.

NB. Do I need a felling licence from the Forestry Commission? More information can be found at
