NOTES

Tree species, and/if named on this plan, are for general information only and should be confirmed by a taxonomist prior to any detailed design.

Trees, canopies and boles, are shown diagrammatically ie circular, their true shape in plan will be different.

Additional abbreviations maybe present and not indicated above.

Kerb levels, if shown, are taken at the juction of kerb face and tarmac.

Boundaries, as shown, do not necessarily constitute legal boundaries.

This survey has been carried out to an accuracy consistent with the presentation scale shown. Therefore interrogated dimensions will be within the tolerance associated with said scale.
