

Dear Sir

We are writing to you to strongly object to a Dorma window put on the back of 225 Havant Road Drayton Po6 1DA as they will be looking directly into our lounge which we will feel very uncomfortable about We don't mind a Velox window for light but not a Dorma window .We bought this bungalow 5 years ago and we know that previous people had planning permission to convert the loft and put a Dorma window on the back and after they had done the work with a Dorma on the back the council had an objection from 225 Havant Road but it is probably new people in there now and they had to remove it all and put it all back to how it was before so as I say we don't even mind two or more Velox windows Yours sincerely Mr & Mrs L Wilson
