

**Site Visit:** 15/01/2021 - virtual - COVID-19 restrictions

**Site Description:**

The parent dwelling is a detached property situated on the western side of Duck Street running north/south in the settlement of Bridport.

**Reasons given for Proposal:**

T1 Silver Birch - Cut back left hand stem by 6-8m - bifurcated

**Representations Received:**

**Considerations:**

The tree is a twin-stemmed specimen bifurcating at the base. Given its secluded nature, it has little in the way of visual amenity contribution whilst the bifurcation risks failure. As such, officers consider the proposed works to be an acceptable form of arboricultural management.

**Recommendation:**

Conservation Area Notification - Advise Raise No Objection

<b>Case Officer</b> Graham Cox	<b>Date</b> 15 January 2021
