

Hello Ian,

I would like to take this opportunity to introduce myself.

My name is Steve Coggin, from "Olde Jakes Barn", located on the Eastern side of Stickney, on Midville Road.

Some time ago I was granted planning permission to save a piece of Lincolnshire farming history by converting an agricultural building.

Recently I have become aware of planning application - S/203/02387/20' - land West of Holme Farm, West Fen, Stickney, PE22 8BH.

This application is similar to that of my previous application. Having looked at the plans in great detail, I would like to show my support for this application.

I look forward to hopefully seeing another sympathetic restoration and conversion of Lincolnshire's past heritage.

Best regards

Stephen Coggin
