Re: 29 Lowick Road islip

T1 – Ash tree has dead and broken branches in the crown recently branches have broken and fallen from the tree so to maintain the tree keeping the area safe we propose to reduce the tree.

T2 – Ash tree has dead and broken branches in the crown recently branches have broken and fallen from the tree so to maintain the tree keeping the area safe we propose to reduce the tree.

T3 – Ash tree has dead and broken branches in the crown recently branches have broken and fallen from the tree so to maintain the tree keeping the area safe we propose to reduce the tree.

T4 – Ash tree has dead and broken branches in the crown recently branches have broken and fallen from the tree so to maintain the tree keeping the area safe we propose to reduce the tree.
