

Original Pedestals

The Original Pedestal is the ideal solution for Caravan Parks on a budget. Manufactured from an internal galvanised steel chassis which is encased by two UV stabilised foamex material shells.

The Original Pedestal comes complete with a lighting diffuser and lid and Energy Saving Photocell Controlled Lighting as standard but this can be upgraded to brighter LED lighting at an additional cost if required.

Pedestals are available in the following sizes: 750mm and 1000mm.

Options Include:

- Up to 63amp Three Phase Sockets
- Water Outlets
- Lockable Sockets
- Lockable Reset Flaps
- TV/Telephone/Internet Outlets
- Ground Mounting Base
- Metering Systems – Read Only & Smart Card
- LED Lighting
- Available in a variety of colours to enhance and caravan park
