HIGHWAY AUTHORITY RECOMMENDATION

WD/D/20/002806 COOMBE DOWN FARM COTTAGES, BRIDPORT ROAD, BEAMINSTER, DT8 3LZ

In reference to the above planning application received 6th January 2021.

The proposal is indicated to be the replacement of 2 existing dwellings with 1 dwelling. On the basis that the 2 existing dwellings are removed the proposal would represent a reduction in potential vehicular trips associated with the site access.

With the above in mind the Highway Authority considers that the proposal does not present a material harm to the transport network or to highway safety and consequently has NO OBJECTION.
