Application: WD/D/20/002846

Proposal: Change of use of cafe area ancillary to retail unit from class A1 (now E(b)) to
1.no dwelling (C3)

Location: 37 BROAD STREET, LYME REGIS, DT7 3QF

With regards to this COU application i have no objection. The proposals appear to primarily involve some minor internal alterations as part of the COU which should not affect existing ground stability.
