## **HIGHWAY AUTHORITY RECOMMENDATION**

### **WD/D/20/002925 CO OPERATIVE RETAIL SERVICES LTD, SEA ROAD NORTH, BRIDPORT, DT6 4RR**

In reference to the above planning application received 7<sup>th</sup> January 2021 for which amended plans have been submitted 13<sup>th</sup> January 2021.

It is important to note that the site plan appears to indicate all signage within the confines of the site but one of the photos (indicated on page 3 of the amended plans package) shows the Totem sign in a different location that appears to be within public highway and directly at the back of the footway. It is assumed the site plan overrides this indicative photograph.

The Highway Authority has NO OBJECTION to the proposal provide that it is confirmed all of the signage is to be placed on land clear of the public highway or approved vehicle visibility splays.
