| Dear Sir | |
| Luafau ta tha abawa awtina niana: | an analization, and wish to abject on the following grounds. |
| refer to the above outline planni | ng application and wish to object on the following grounds: |
| We already suffer from natural sn | ring flooding and are concerned that the development will alter and increase the |
| current balance. | This hooding and are concerned that the development will after and increase the |
| current balance. | |
| Surface water drainage has alway | s been a problem along the slip road from the A9 to the A824. Will this add to the |
| problem or improve it. | |
| | |
| | |
| | |
| Yours faithfully | |
| | |
