Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I strongly object to this application as I did with the previous application which was refused. The letter of refusal said "The application site is located in a countryside area outside of the identified settlement boundary of Forton in the Wyre local plan".

With the current "master plan" in place for Forton new housing will be in abundance so this additional application is not necessary.

If approved this would add further stress to our village in regards to an increase in traffic. School lane would be the access road which is too narrow, very unkept, poor lighting and unsafe for pedestrians as it is. I have experienced this first hand and seen many close calls with vehicles and pedestrians on this road.

The proposed pavements do not change the fact the the road is too narrow and will directly affect the privacy of the houses along school lane.

I strongly think this application should be rejected.
