Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: The development is ideally located at the back of the existing housing development and would be ideal for families with children as it is right next to school and bus routes. The infrastructure accommodates lots of traffic at weekends at the cricket club so should not be a problem with the extra traffic running through to the new houses. I fully support this application as it would be ideal for myself having to rent out of the area I would love to live in.
