Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I am looking to buy and move into the Forton area because of its location. One of the reasons I am impressed with Forton is its access to the countryside being on the doorstep. I would happily buy a property that will be part of the already agreed master plan and retain the beautiful landscape that I am looking forward to enjoying. It is a concern that the flow of traffic will increase down school lane for walkers, particularly when the houses in the master plan are built, and the impact this will have on the school with families wanting their children to attend Forton Primary school. It is my opinion that the traffic will increase down such a narrow lane. It is also a concern that the traffic report is outdated and is not relevant. Reports such as this should be looked at again once the new houses on the A6 are built and the true impact on the village and on traffic can be assessed properly
