Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I strongly object to this application, as I did 2 years ago. It was rejected with the reason being that the application site is located in a countryside area outside of the identified settlement boundary of Forton in the Wyre local plan and this has not changed. Therefore I see no reason it should be approved this time around. The recent national lockdowns have made us all realise how important our green spaces are and how we need to preserve them.

The demand for new housing has been addressed within the "Forton Master Plan". This application falls outside of this.

This application concerns me greatly as it would put pressure on infrastructure, causing congestion, pollution and road safety issues. It would also put stress on our local services such as schools and doctors.
