

I wish to strongly object to the above proposed 41 dwellings in Forton. Houses have already been built on one side of the cricket club and we could do nothing about it and now plans for more on the other side.

Shireshead Cricket Club has existed in unspoilt surroundings for over 100 years and is one of the most picturesque grounds around. To crowd the playing area and add salt into the wound of denying the club any more land, is scandalous. Please do NOT give permission for this to go ahead.
