Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I strongly object to this planning application, it is in the completely wrong part of the village. From leaving the A6 travelling towards this proposed site is stop start from the playing field through the village due to cars parking on an already narrow road, then the lane narrows further with no pavement because it's in the countryside. There is no continuous pavement access, and congestion outside of the local school, and this is especially dangerous. This part of the village is where recreational activities take place, and is loved by walkers, families, cyclists, joggers etc. It would be a crime to build on this green field.
