Forton needs to expand with applications like this it is well ready for a facelift .All the infrastructure is so tired and would benefit from bringing in some new blood . It would give people the opportunity to buy Modern environmentally friendly properties that would compliment the rural location.The application joins up to both existing and new developments and so should lower traffic movement . School Lane can easily accommodate traffic at peak times and also when there's extra traffic attending cricket matches. Location is everything and this would be a very popular development
