Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The proposed land is not in the plan for local development and if built upon would significantly spoil the countryside and diminish the area's natural beauty. This site is inappropriate for development as the lane leading to it is a minimally paved single track. The lane is used by the community for all manners of exercise and horse riding. Increased traffic on this lane would unfairly impose on residents of Forton. It is clear to me this proposal would not benefit the area.
