## Comment Details

Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I have recently had a daughter and I think that building new modern houses would benefit our area because all the old houses are dull and need a lot of work and as a parent it would benefit us being closer to the primary school and more children would attend the school, from coming from a religious family and background it would be massively beneficial to us to be able to practice our religion and to the church as more people would attend their services
