Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I strongly object to this application. This has previously been refused and nothing has changed or even been addressed on this application. This development is not on the Masterplan and is not located in a sustainable location. School Lane is still that - a narrow Lane that is currently hazardous due to the increase in traffic from the last housing development within the village. The increase of traffic that this development would bring would be dangerous. Forton is due to have more housing that is shown on the Masterplan (with infrastructure) and is in a more suitable place than this application (with no infrastructure). The development will still encroach on our lovely countryside.
