Comment Reasons:

Comment:I'm in full support of this. I've been looking for a place to buy for months around the Forton area but there is nothing affordable. The location is great for me as it has great transport links for my job. I love the area and I've been looking to move to Forton for a while but the housing prices are preventing me from doing this. I'm a keen cricketer and looking to join the local team and I want to put my little boy into the primary school close by.
