Comment Reasons:

Comment: This application has already been refused twice and as nothing has changed there is no reason why it should be approved this time. The proposed housing on a greenfield site is outside the local plan and would mean more traffic on a narrow lane putting school children and others in danger. It intrudes into the countryside and is away from the A6. There is no infrastructure to support more development in the village as there is already a substantial number of houses proposed in the local plan.

The site supports lots of wildlife and would be a great loss to the environment - the environment that we are supposed to be preserving not destroying.
