Comment Reasons:

Comment:I support this application for extra housing in the Forton area. As a family with a young son, we have been looking to move into the area for some time, but feel as though there are not any appropriate or affordable family homes. The only available houses would be on the new development on the other side of the A6, which I feel is not a safe location for the commute, hopefully, to Forton primary school. This development however would be in an ideal location for us, and hopefully we can find our perfect family home.
