Comment Reasons:

Comment: I support this scheme as it puts houses in a integrated yet rural location. It would help create jobs for people in construction like myself. I really like the open public space around the scheme as in times like these it would be important to people's mental health to have a place like that.

I also have have 2 children that go to the Forton primary school which not that long ago was struggling for funding as there wasn't enough pupils attending the school.
