Comment Reasons:

Comment: I wish to object about this application for the following reasons:

I am a new driver and school lane is not fit for more traffic, I have been forced onto the pavement on more than one occasion due to people travelling at speed on this country road.

It is not a suitable or safe road to support a new housing estate. This proposed estate is not a natural extension of Forton it is in the countryside in the most beautiful part of the village which is used by walkers, horse riders, joggers and parents teaching children to ride bikes. This land is not in the local plan or the master plan because it is the countryside and would be an eyesore to the village and lose precious green space forever. The plan has not changed since last submission I urge you not to pass this application.
