NOTES - IF IN DOUBT, ASK
1. All dimensions are in millimetres.
2. All levels are shown in metres Above Ordnance Datum (AOD).
3. All levels and dimensions are to be checked on site by the site manager/contractor prior to commencing any works or ordering any materials.
4. This drawing is to be viewed in conjunction with all other detailed drawings and specifications from all members of the design team.
5. Any conflicts/discrepancies are to be highlighted to Southern Green prior to commencing works or ordering any materials.

CDM - SAFETY, HEALTH & ENVIRONMENTAL INFORMATION
Principal Designer: Darlington Borough Council

In addition to the hazards/ risks normally associated with the types of work detailed on this drawing, note the following project specific risks which require attention/ mitigation by the contractor undertaking the works:

Construction: Drilling into listed buildings - fragile masonry etc.
Maintenance/ Cleaning: Risk of trellis coming loose as a result of building deterioration/ vandalism.
Decommissioning/ Demolition: As above.

It is assumed that all works will be carried out by a competent contractor, working where appropriate, to their own approved method statement. This is not an exhaustive list and reference must be made to the Construction Phase Plan or Health and Safety File and any additional Risk Assessment documents available.
