

Consultee Comments for Planning Application 21/00131/FULL

Application Summary

Application Number: 21/00131/FULL

Address: Flat 1 37 Westbourne Terrace London W2 3UR

Proposal: Replacement of two courtyard ground floor windows with double glazed timber casement windows and installation of new flat rooflight to rear extension. (Linked to 21/00132/LBC)

Case Officer: John Wilman

Consultee Details

Name: Mr John Walton

Address: 70 Gloucester Terrace, London W23HH

Email: Not Available

On Behalf Of: South East Bayswater Residents Association

Comments

Replacement with timber framed windows is welcome, but on our understanding the proposed double glazing is contrary to policy for listed buildings. The listing appears to apply to the whole building, front and rear, albeit this rear extension is probably non original.

Single glazing would be fine.

John Walton, for SEBRA
