

Afternoon Lisa

Thanks for the email, I agree to the amended description.

Also I have just checked the scales of everything and they are correct, not sure what is wrong?

Regards

Dear Kyle

Thank you for the application we received on 31 December 2020.

Please confirm the following amended description is acceptable:

**Erection of rear extension and link extension between dwelling and garage. Conversion of garage including alterations to roof**

Please also check the scaling of the Location Plan (1:1250) and Existing and Proposed Site Plans (1:500) - as this doesn't appear to correspond to the proposed elevations and floor plan.

Regards
