**CAUTION:** This is an EXTERNAL EMAIL. STOP. THINK before you CLICK links or OPEN attachments.

Dear Registrations

**CALCOT RECTORY CLOSE BRACKNELL RG12 7BD**

Please find attached a new full plans application for proposed extension and alterations works to the above property.

I previously submitted a Lawfulness Application for the same works, which has subsequently been withdrawn, so you will already have records detailing the proposal on file. The applicant is in the process of compiling an accompanying statement, which I will forward when complete.

The application will be paid by Bennington Green once we receive notification that the application is at the registration stage. In the meantime if you require further information, or have any queries, please do not hesitate to contact me.

Kind regards

**Geraint Williams** BSc (Hons)  
**Building & Architectural Technician**
