Hi Rachel

I was unable to produce a report via Confirm, so I have provided a supplementary word document, detailing the photos and recommendations with tree tag numbers for the quick reference on the ground. Hope this is acceptable.

Thanks,

Luke

Hi Luke

Can you provide a copy the report referred to please so that a Tree Officer can assess the notification for validation.

Just for your info, the Tree Service don't use or have access to job numbers in Confirm.

Thanks
Rachel

Dear Tree Service,

Please find attached a copy of a TPO application for permission to fell 3 trees under a 5 day notice. The application details the Confirm reference numbers and the tree ID (confirm) so that you can access the photos on the tree.

I have attached an annotated plan for your reference, the subject trees are those with a TR5 label against them.

Kind regards,

Luke Dawson
