## Comment Details

Commenter Type: Town Parish Council

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: While Cowes Town Council has no objection to this application, we do, however, have a concern regarding the planned position of the garage.

This functional building has no architectural merit and being sited close to the highway will have a negative impact on the street scene. We feel it would be better sited beside or closer to the main building.
