Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Our property would be the most affected by this plan. The building is too tall and would encroach on our garden and its enjoyment. We have been made aware that the owner of the property has several cars that would be worked on and stored at the property which would bring extra noise and a fire risk with fuel etc. With the size of the proposed garage, we would expect that the vehicle would be worked on (possibly with the use of a ramp) as these cars are apparently "classic" cars. We therefore, strongly object to this plan as we spend the majority of our time outdoors enjoying the peace and quiet of our, upto now, quiet garden
