Dear Sir/Madam

TOWN AND COUNTRY PLANNING ACT 1990
PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Address: 40 Chepstow Road, London, W2 5BE

Proposal: Replacement of an existing single-storey conservatory to the rear of the property with a two-storey glazed infill extension and alterations to a portion of the existing roof to provide improved maintenance access to the roof and existing solar panels. (Linked to 21/00194/FULL)

I refer to your application for listed building consent received on 13 January 2021. Your application was made valid on 13 January 2021 and the statutory period in which the Council has to deal with the application starts from this date.

You can monitor the progress of your application, online, at www.westminster.gov.uk/planning using the above reference number.

Please note that the description of development may have been changed to better reflect the proposed works, if you do not agree that this accurately reflects your proposals, please provide an amended description of development within 5 working days.

Westminster City Council is committed to dealing with as many applications as possible within the statutory determination period. However, where cases are complex this time frame may not be possible and the case officer will inform you if your application is within this category. Please note that you may be given a limited time to make revisions to your application. We consult adjoining occupiers and amenity groups for most applications and give them 21 days to comment. If your scheme needs major revisions and requires a fresh round of consultations, then you may be required to submit a new application. All but the most contentious and complex applications are handled well within the Government's 26 week target. Should we decide there are exceptional circumstances and your application needs more time to be determined, I am seeking your early agreement under the above Regulations

that we may do so via this letter and will proceed on this basis unless you inform me otherwise in writing within the next eight weeks.

If you have not received a decision by 10 March 2021 you may appeal to the Planning Inspectorate at www.planningportal.gov.uk/pcs. If you do appeal, the Planning Inspectorate takes over responsibility for determining your application.

If you have submitted the application on behalf of the owner/applicant please copy this notification to them for their information.

Yours faithfully

Rebecca Mason
