4. What Are You Applying For?

Based on the type of work proposed and the location and protected status of the trees involved, there are various details and supporting information that will need to be supplied in order for the Local Planning Authority to determine the application.

Are you seeking consent for works to tree(s) subject to a Tree Preservation Order?

Yes No

Are you wishing to carry out works to tree(s) in a conservation area?

Yes No

Documents and plans (for any tree)

A sketch plan clearly showing the position of trees listed in the question 'Identification of Tree(s) and Description of Works' MUST be provided when applying for works to trees covered by a Tree Preservation Order. A sketch plan is also advised when notifying the LPA of works to trees in a conservation area (see guidance notes).

It would also be helpful if you provided details of any advice given on site by an LPA officer.

Are you providing additional information in support of your application (e.g. an additional schedule of work for question 'Identification of Tree(s) and Description of Works')?

Yes No

4. What Are You Applying For?

If Yes, please provide the reference numbers of plans, documents, professional reports, photographs etc in support of your application

The following plans drawings and documents are submitted in support of the application for tree works:

Drawings numbered Site Plan 20/720/E001 Additional works to enhance the local landscape and conservation area being carried out as part of the overall Landscaping Programme.

Great Western Landscaping Co Drawings No FH SWP 01, overall Landscape Proposals Main Garden . FH SWP 02, overall Landscape Proposals South Garden . Both these Drawings give details of the tree felling 2 no, 1 number dangerously leaning Poplar tree, (to be felled) and 1 no Existing multi stemmed holly top be felled. Also Crown lifting of 2 number trees , 1 no Green Beech and 1 no Lime tree, both crown lifted to allow planting of mixed native hedge along boundary. Please review both drawings to note extra new semi mature tree planting to be undertaken as part of the overall landscaping scheme. Please also review the "Native Natural Hedge Mix" to be planted this season.

The owners of The Furlong are undertaking an extensive new planting scheme within the garden its self and will also be enhancing the local environment with the addition of young oak trees within the hedgerows on the boundary along with cutting and laying the existing hedge along the road leading out of the village. In generally this whole parcel of land has not had the benefit of good land management over the past few years, this is something that the owners Mr and Mrs Bidwell are going to redress over the next few years. They will make a considerable investment in the landscape to help enhance the local environment which will benefit the local community.

5. Identification of Tree(s) and Description of Works

Please identify the tree(s) and provide a full and clear specification of the works you want to carry out.

You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work.

Where trees are protected by a Tree Preservation Order, please number them as shown in the First Schedule to the Tree Preservation Order where this is available. You should use the same numbering on your sketch plan (see help for sketch plan requirements).

Please provide the following information:

- Tree species
- The number used on the sketch plan); and
- A description of the proposed works.

Where trees are protected by a Tree Preservation Order you must also provide:

- Reasons for the work; and where trees are being felled
- Proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

e.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with one standard ash in same position.

Please refer to the attached Drawing and documents that give details of all the tree works that are being applied for.

6. Tree Ownership

Is the applicant the owner of the tree(s)?

Yes No

If No, please provide the address of the owner (if known and if different from the tree location):

7. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

Yes No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

8. Trees - Declaration
