**Dear Ms Charlie Ortt-Bicheno**

**Re Application No: Proposal: WD/D/21/000051**

**Location:**

FURLONG, OBORNE ROAD, POYNTINGTON, SHERBORNE, DT9 4LF

I am hoping you can help! I am not sure what you have received with reference to this application, as I can now no longer find any detail of what has been submitted to the Planning department and there appears to be no record of my submission on the planning portal either. Very Strange however I have submitted all of what you have asked for, perhaps I need to put more detail on about the trees etc.

I would propose that I shall send paper copies of all the documents required by recorded delivery that way I am sure you will have received them.

With best regards
