Subject: FW: S/20/1666 - The Beauty Unit Ltd., Unit 8 Aspen Close

Dear Charlotte

It appears the use of the Unit has changed from that of an industrial unit (formerly B1-use) to a gym (formerly D2-use) within the new E-use class.

Given the very small change of use and the association with the main use of the unit as a gym, I am satisfied there is no requirement for a sequential site search.

Therefore I have no objection.

Regards
