Dear Mark

I hope this email finds you well

I am validating the above application for the property at Wood View, Southwick Road, Bulwick

May I propose a small change to the description of the proposal to "Two storey side extension, single storey rear extension and construction of detached garage storage with ancillary accommodation above" This amendment is suggested as descriptions for applications need to be clear, concise and precise.

Please confirm in writing that you are happy with the amended description as given above.

Please be aware that we are awaiting the transfer of the fee payment from the Planning Portal. This application will be valid once the fee has been received by ENC and the point above has been addressed.
