Ref: SY/20/03147/FUL

Dear Rebecca,

I have been advised by Kay to complete a variation of conditions application form, which I have enclosed. I would be grateful if you would add this to the plans ect that you have on file under SY/20/03147/FUL and please disregard the original application form, as it is not applicable, apoligies my error.

Variation of condition 2 "Decided plans" App no SY/18/00951/FUL (Block 1 only)
(to confirm the footprint of the building, block 1, remains the same).

Discription:

Variation of Design, Block 1.
To provide 5 small flats in lieu of 1 x 2 bed flat and 2 x 3 bed maisonettes, together with additional parking.

As requested I have also enclosed 2 copies of each of the following;

1, Photo Index Plan
2, Site photos A-I
3, Receipt for application £234.00
4, Location and block plan. I have outlined in green the footprint of the approved building and outlined in red the part of the site affected by the variation.

I hope you can now validate the application. However if you have any queries please email or phone me and hopefully I will be able to resolve.

Happy new year and kind regards,

[redacted]

Jeff Alan.
