Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: We have 4 schools within Wilmington and we struggle so much with keeping our children safe from the school buses and the general chaos the village already has to deal with. We have a lorry restriction already in place to help with this and keep our children safe so why on earth is this even being considered!? Absolutely insane.

I utterly object to this and this should most definitely not be allowed. Why undo all the hard work that had been made to keep our children safe.
