Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I strongly object to this going ahead. Broad lane is a narrow lane leading into another narrow lane, Hook Green Lane. The size and weight of the traffic this application will bring to the already overcrowded and busy road will be ridiculous. Taking into account the influx of traffic during school hours too.

Half of Broad Lane has no pathway making it dangerous to walk along already without this adding to the problem! My daughters car had already been written off parked outside our house as cars ignore the speed limit and drive in excess of 50-60mph on this road. This application must be rejected for the good of this village and our road.
