Comment Reasons:

Comment: My concerns are with the increase in heavy traffic in Broad Lane - Hook Green Lane, the speed limit coming from Hook Green Lane is unrestricted and the entrance to the site makes the access dangerous due to the speed on vehicles.

With the parking in Broad Lane, especially at school times, there would be problems accessing the site with heavy vehicles.

There appears to be some problem with sewers and drainage, the surface water appears to go to foul drainage! If there is to be plant washing on site, this needs to be controlled.
