Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Please do not allow this planning application to be processed, with three schools in the area there is already enough traffic with buses and cars during school hours, also broad Lane is a country lane and therefore not suitable for heavy lorries to be going up and down. There are already restrictions on lorries having access to Common Lane so if this application is passed it will push all the traffic into Barn end Lane or down the High road, causing more issues due to the narrowness of the roads, with additional issues with buses and cars travelling along those busy roads. Lastly we try to encourage school children to walk to school to improve their fitness and reduce the carbon footprint, with additional lorries and vans using the site all day long there is additional risks for pedestrians using pavements in the surrounding area due to the narrowness of the roads.
