Comment Reasons:

Comment: This road and the surrounding roads of Wilmington cannot handle this kind of traffic. These heavy vehicles already plague the roads in Wilmington despite signs saying they shouldn't be using them. They damage the surface of the roads and they block the narrow lanes. In Broad Lane the road surface is disgraceful and there's no doubt it is mostly down to the number of these vehicles that already use the lane. The traffic in Wilmington is already more than is reasonable because of the schools. To add heavy plant vehicles and construction traffic on top is a ridiculous suggestion.
